

EcoCost Meeting Minutes
March 21, 2021
Asynchronous

Attendance:

Christian Schmachtenberger, Hunter Johnson, Jackie Diep, James Rinehart, Joshua McGehee, Durlab Serchan

Discussion:

- This week's meeting was held asynchronously as work schedules clashed too much to discuss in a voice chat.
- The week was spent mostly working on our own individual segments
- Not much happened in terms of discussion, so there is not much to report
